Sumaeth Chavadej is a professor at The Petroleum and Petrochemical College, Chulalongkorn University. He received his B.Sc. in chemical engineering from Chulalongkorn University, Thailand (1971), his M.Sc. in public health engineering from The University of Newcastle upon Tyne, U.K. (1978), and his Ph.D. in chemical engineering from Monash University, Australia (1985). His research focuses on the areas of applied surfactants, low temperature plasma for chemical conversion, hydrogen and methane production from wastes, and photocatalysis. He has published over 140 papers in international journals.
