Japanese Association for Laboratory Animal Sciences

CERTIFICATE

President Mr. Seiji Nakamura
Nagasaki International University

Dear President

In every Japanese institution under the jurisdiction of Ministry of Education, Culture, Sports, Science and Technology, MEXT, self-inspections and evaluations for the conduct of animal experiment and related activities must be verified by a third party, independent of the research institution concerned.

Japanese Association for Laboratory Animal Science (JALAS) certifies that Nagasaki International University received "Assessment and Verification Program for Care and Use of Laboratory Animals in 2024".

Sincerely yours
