

授業科目(ナンバリング)	International Relations (AC210)			担当教員	Tomonori Taki		
展開方法	講義	単位数	2 単位	開講年次・時期	2 年・前期	必修・選択	選択
授 業 の ね ら い							アクティブラーニングの類型
The aim of this course is to understand the basic characteristics of Japan's international relations today, and explain such characteristics. Toward this aim, students are expected to: (1) comprehend basic terms of International Relations (IR) together with their historical background; and (2) be able to use those terms accurately. Students will also choose a topic about Japan's recent international relations, based on instructor's suggestions, and explain that topic to the class.							①⑥⑨
ホスピタリティを構成する能力	学生の授業における到達目標					評価手段・方法	評価比率
専門力	1. To be able to demonstrate achievements of study by giving a presentation 2. To be able to use basic terms of International Relations accurately					Presentation Final exam	10% 20%

多様性理解力	To be able to explain the characteristics of Japan's recent international relations concisely					Quiz Final exam	10% 40%
出 席						受験要件	
合 計						100%	
評価基準及び評価手段・方法の補足説明							
Pre-lecture quiz will be given each week (10%). Review questions will be given to further students' comprehension of studied content (10%). Quiz will be given in Week 13 to check whether students are able to explain basic terms of International Relations (10%). Students will be asked to give a presentation in Week 14 (10%) on a topic concerning Japan's recent international relations. Feedback will be given when answer to questions and quiz are handed back, and at the end of presentation. A final exam will be given to check students' understanding of the IR terms, as well as that of Japan's international relations (60%).							
授 業 の 概 要							
We will study characteristics of international society (Week 2), theories of International Relations (Week 3), and issues in international relations (Weeks 4 to 12). Based on these studies, students will give a presentation on a topic in Japan's international relations today. この授業の標準的な1コマあたりの授業外学修時間は、180分とする。							
教 科 書 ・ 参 考 書							
教科書：There is no specified textbook; handouts will be distributed each week. 参考書：Baylis, J et al. (eds) (2022) The Globalization of World Politics (9 th ed.), OUP. 指定図書：参考書に同じ。							

授業外における学修及び学生に期待すること

1. Follow mass media reports on issues in international relations. Some of them will be discussed in the class.
2. Participate in the class with the following question in your mind: "What would I want to do if I were in the position of people involved in this case?"
